UNFCCC

UNITED NATIONS FRAMEWORK CONVENTION ON CLIMATE CHANGE

## Structure of report (as previous report)

- Work undertaken since JISC 8
  - Period covered JISC 8-12 (20 Oct 2007 – 12 September 2008)
- Governance matters
- Resources (including JI management plan - part 2 of report)
- Annex: status of financial contributions

## Work undertaken

Reporting on decisions, clarifications, status of process, results, statistics in the following areas:

- Verification procedure under the Joint Implementation Supervisory Committee
  - Operation of the Track 2 procedure
  - Further operationalization of the Track 2 procedure
- Accreditation process for independent entities

## Governance matters

Reporting on decisions, clarifications, status and results regarding:

- Fees (including accruing of reserve)
- Collaboration with others
- Membership issues
- Meetings
- Transparency, communication and information
- Secretariat

## Resources

Reporting on decisions, clarifications, revisions and status:

- JI management plan
- Status of resources
- Contributions to date in 2008

As requested, in the document have tried to reflect the following specific issues as appropriate:

- continued uncertainty under which working
- inadequacy of financial resources
- status of accruing of fees to cover costs from 2010
- interaction with stakeholders/actors
- highlighting the status (and urgency) of accreditation process
- experience to date with procedures, guidelines, etc. of the JISC

One area not yet reflected, or fully at least, that would need consideration by the JISC at this meeting:

- concerns raised by stakeholders/actors (incl. uncertainty of future of JI)

## **JISC may wish to consider/discuss:**

- Elements to add to main topic areas
- If the specific issues have been reflected adequately
- Reflection of issues from management plan discussions
- How to reflect additional issues
- Specific changes
